

REMARKS

The amendment document that Applicants filed on November 1, 2004 is considered non-compliant because amendment to the specification does not include the entire paragraph and a complete list of all of the claims is not present. Applicants have resubmitted the corrected section of the non-compliant amendment document pursuant to 37 CFR 1.121(h).

In view of the newly submitted amendments, coupled with the remarks filed on November 1 of 2004, Applicants respectfully submit that the application is now in condition for allowance. Early notification of such action is earnestly solicited.

Respectfully submitted,
